The screenshot shows the Kahoot! website interface. At the top, there is a navigation bar with links for 'New K!', 'My Kahoots (6)', 'Public Kahoots (3990.3k)', 'FAQ', and 'Support'. Below the navigation bar is a large, empty grey rectangular area with a close button (X) in the top right corner. Underneath this area, the text 'Create new Kahoot!' is displayed. Below the text is a dark grey horizontal menu with three options: 'Quiz' (represented by a question mark icon), 'Discussion' (represented by two speech bubbles), and 'Survey' (represented by a bar chart icon). The 'Quiz' option is highlighted with a yellow hand-drawn circle. At the bottom of the page, there is a small blue text notification: 'NEW! Find out how to play your kahoots again in 'Ghost Mode!''. The background of the entire page is a dark teal color.
